Key things to remember about the Export Contract Exchange (ECE).

1. Contracts are between the producers and buyers (ie:processor/broker/exporter).
2. Deloitte & Touche is acting as the Third Party Administrator (3PA) to bring producers and buyers, who are interested in participating, together for export contracting. You may contact the ECE with questions or comments at 1-866-830-2911.
3. The 3PA/ECE is not involved in determining the price, volume or contract period.
4. Offering milk to an export contract indicates an agreement to abide by the guidelines of the 3PA/ECE and the terms of the contract.
5. Milk offered to export contracts is pre-committed and will be counted as the first milk out of the bulk tank.
6. Offers to contracts must be made through an operator at the Call Center at 1-800 475-6992. Please have your licence # and password available when you call.
